ABdFC Carting Test Purpose

*The Bouvier des Flandres is a farm dog who has historically been required to pull carts in various capacities. Carting is therefore considered a **heritage sport**.*

The carting tests of the American Bouvier des Flandres Club (ABdFC) consist of a series of exercises designed to demonstrate the natural abilities and skills of the Bouvier des Flandres in a cart pulling environment working as a team with a handler performing realistic work situations. Dogs must be willing to work with their handlers and the exercises must be accomplished efficiently. The goal of each handler is to maintain control while encouraging his/her dog's natural independence; together, they demonstrate teamwork. Since a dog can perform carting work only in cooperation with a person, each handler must demonstrate an understanding of carting, work with the dog's ability, training, and equipment.

A copy of the ABdFC rules can be obtained at:

<http://dcbouvier.org/Carting/ABdFCCartingRegs-2018.pdf> **and will be available on site.**

Participants are required to be familiar with the rules.

Classes Offered:

NDD	Novice Draft Dog
NDD-V	Novice Draft Dog Veteran
DD	Draft Dog
DD-V	Draft Dog Veteran
NBDD	Novice Brace Draft Dog*
NBDD-V	Novice Brace Draft Dog Veteran

BDD - V	Brace Draft Dog Veteran

ABdFC offers Advanced Titles. See the ABdFC Carting Trial Regulations for details.

*Brace teams require a separate entry form for each dog but each brace team will be counted as one entry. See ABdFC carting test regulations for guidelines.

Awards : All passing teams will receive a Red, White & Blue Rosette

Note: *Official ABdFC Title Certificates will be mailed out after the event by the ABdFC Carting Secretary Ruth Jayson email ruthjayson@msn.com*

North American Working Bouvier Association (NAWBA) Carting Trial Purpose *The NAWBA carting trial is a set of exercises designed to demonstrate the abilities of the Bouvier des Flandres to work as a team with its handler. The dog should show enjoyment and willingness to maneuver a cart through obstacles and haul freight for a distance. These exercises are meant to show the skills and training needed in a real working situation. However, never become so serious that the fun goes out of working for you or your Bouvier.*

Entrants are responsible for obtaining a copy of the NAWBA Carting Trial Regulations and Competitive Event Policy and Regulations, and being familiar with them. They will be available at the test site.

Classes Offered:

Novice Carting(NC): NDD
